Dear Customer,

**BINDER MAGNETIC** certifies its products as free of regulated substances according to the following EC directives:

- 2000/53/EC "End-of life vehicle directive", including latest commissions decision 2008/689/EC
- 2011/65/EC "RoHS II"
- 2015/863/UE "RoHS III"
- 2002/96/EC "WEEE": makes no statements about restriction of substances but has mostly requirements about recycling. This directive does not apply to BINDER MAGNETIC since it does not produce electric parts.
- 2005/64/EC Annex V: makes no statements about restriction of substances but of reused parts. This directive does not apply to BINDER MAGNETIC since it does not include second hand / reused parts in its product line nor in its production process. .
- 2006/1907/EC "REACH", this includes (17 Dec. 2013):
  - o Substances of the SVHC-candidate-list
  - o Substances listed in annex XIV (Authorization)
  - o Substances listed in annex XVII (former: "Restriction Directive of Hazardous Substances")15 november 2017 (UE) 2017/2102

**Please note** that is excluded from this certificate, any specific treatment or coating when added to standard parts.

For further requests we are readily at your disposal.

Kind regards,

Gennevilliers, 03<sup>th</sup> july 2023
